

Estimated Benefit Memos

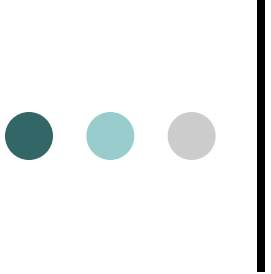

May 13, 2020

Written and Presented by James Oswald

Purpose

To identify operating policies and plan issues that must be addressed early in the case processing lifecycle in order to administer the plan accurately and timely.

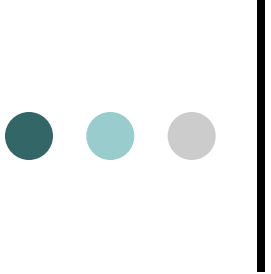

How to Complete

- Download the latest version
 - OBA Operations Manual, Section 10.3-10.5
- Read the instructions
- Refer to policies, procedures and other guidance referenced in the sections
- Include supporting information and analysis, not just conclusions

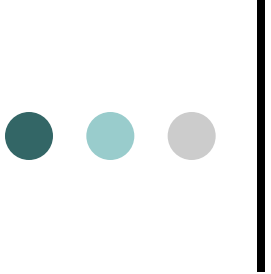

Types of Estimated Benefit Memos

1. §436 Evaluation
2. Estimated Benefit Administration Analysis Memo
3. Estimated Benefit Adjustment Analysis Memo
4. Estimated Benefit Adjustment Worksheet

§436 Evaluation

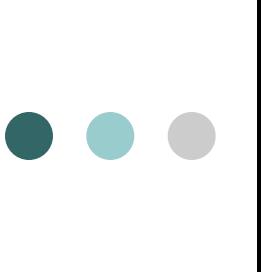

- Helps to identify possible cutbacks
- Need:
 - Preliminary Plan Summary
 - AFTAP Certifications
 - Actuarial Valuation Reports

§436 Evaluation

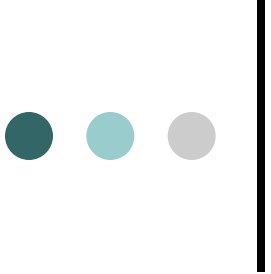

- On or after 2008 Plan Year:
 - Unpredictable Contingent Event Benefits
 - Benefit increases
 - Prohibited Payments
 - Benefit Accruals

If there are any potential §436 limitations,
collect and list all AFTAP Certifications

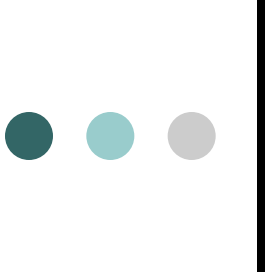

Administration Memo

- Purpose: Identify issues that affect the administration of benefits and determine who should be in pay.
- Review plan provisions – including older documents
- Need Participant Data – Get a SPECTRUM download from TRMD

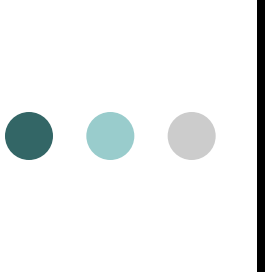

Administration Memo

- Seven Sections:
 - Required Beginning Date
 - Earliest PBGC Retirement Date
 - Retroactive QPSA Payments
 - Factor Changes
 - Restrictions on benefits for payees receiving benefits from another source
 - Offsets
 - Employee Contributions

Adjustments Memo

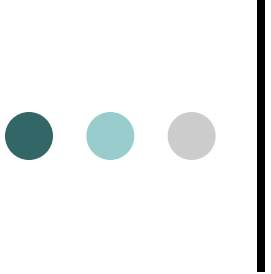

- Helps perform cutbacks and improves accuracy of estimated benefits
- Apply PBGC Cutbacks to estimated benefits early to avoid recoupment later
- Requires Participant Data
- Consult Auditor about Successor Plan Determination

Adjustments Memo

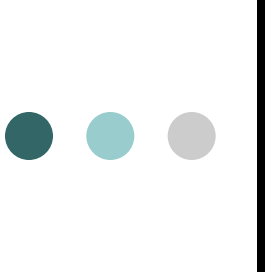

8 Sections:

- Bankruptcy
- Shutdown or Unpredictable Contingent Event Benefits
- §436 Limitations – Image this memo first
- Future Benefit Changes
- Offsets
- Successor Plan Determination
- Estimated Asset Allocation
- AAN, Max, P-I, and Aggregate Max Limitations
 - Email TRMD for an Aggregate Maximum report

Adjustments Worksheet

- Provides Details on PBGC Limitations
- Helpful guidelines and advice
- Not required
 - Supplemental to the Adjustments Memo
- Requires Data for Participants in Pay

Finishing Touches

- Submit to Actuarial Reviewer
- Notify the Auditor, EBLS, FBA, and other team members
- Image in Image Viewer
- Complete Milestones in CMS
